The Yomi Yomi no Mi has a storied history in the One Piece universe. It was originally consumed by a skypiean explorer who gained the ability to come back to life after death. Brook, after dying during a prior adventure, was fortunate enough to consume this Devil Fruit, which allowed his soul to return to his body—a body that had decayed but was preserved due to the fruit's power.

Interestingly, this Devil Fruit is considered rare and valuable because of its unique revival ability. Brook's connection to the Yomi Yomi no Mi is deeply tied to his backstory, making the fruit as much a part of his identity as his musical talents.
